

Dear Partners of UCC Munich,

We hereby would like to inform you that the SAP UCC EMEA Portal (<http://www.sap-ucc.com/>) will be replaced for all partners of SAP UCC Munich by the new SAP UCC TU Munich Portal.

From now on, the new portal can be reached via the navigation bar on the website of SAP UCC at Technical University of Munich: <https://ucc.tum.de>

The login will be possible via your U-user and password as before. In the SAP UCC TU Munich Portal, you will find all familiar information and tools like our service desk and the customer self-services on the left hand side in the navigation menu.

Please don't hesitate to contact us in case of any questions or suggestions regarding the SAP UCC TU Munich Portal.

Kind regards,
Dr. Holger Wittges & the SAP UCC Munich Team
